ORDER

On June, 17, 2010, came the plaintiff, in person and by counsel, and the defendant, by counsel, and were heard upon the plaintiff's motion to reconsider the Court's decision to grant defendant's motion for summary judgment, due to Mercury's policy exclusion.

The Court, having heard argument on the matter, DENIED the motion to reconsider its grant of summary judgment, for the reasons stated in its written opinion by letter to Counsel dated July 28, 2010. The Court's opinion, which is contained in the Court's file, is incorporated into this order as if fully restated herein.

There being no further action required in this matter, it is, therefore, ADJUDGED and ORDERED that judgment shall be and hereby is entered in favor of the defendant and this case is dismissed with prejudice and stricken from the docket of this Court.

The Clerk is directed to provide a certified copy of this Order to all counsel of record.
